

## Serving Rules for U10/U12

- U10 can come up to where they feel comfortable but behind the 10 foot line. After 5 consecutive serves by one player it is automatically a side out.
- U12 can come up to 10 feet in front of the end line
- We are encouraging both ages groups to go back as far as they can.
- This is an experimental rule this year, which can be changed at any time if teams abuse the right to come up closer. If a player can serve behind the serving line they should be back there serving.
- The goal is to get the player behind the endline, but we know some don't have the strength.
- Once a player has had a couple of successful attempts they need to move back a couple of steps. Keep doing this so one player doesn't monopolize the whole game **(This is the coaches responsibility not the referee's)**
- If your team is abusing the right to move up, the whole team will be required to move behind the endline.
- We hope for kindness and fair play when it comes to serving. Push your players to become better and to serve from farther back. This is a developmental league to help the girls find success and have a fun at the same time.

**IT IS NEVER FUN WHEN PEOPLE ARE  
ARGUING!**
